

The Sunken Place

Gianna Sanchez

Idea

For: Young Adults

Idea: It's a dark tv screening room that displays a broken TV. The TV will have a glitch that goes in between shows/movies with the same kind of vibe as Get Out. It will display the name of the show and a description on the screen.

Where: It will be displayed online.

When: At the end of the year, since it will show the best shows/movies of the year.
